Nikhil Sarak

I am a third-year IT engineering student passionate about web development, and Android app development. I have gained hands-on experience in various modern technologies and frameworks . My background includes expertise in developing complex projects, such as job portals and book-selling platforms using the MERN stack, as well as securing data with custom encryption techniques in finance-tracking applications.

Work Experience

Java and Android Developer Intern

10th July, 2023 – 16th September, 2023

- Gained hands-on experience in Java programming, software development, and back-end services.
- Created two projects: BMI Calculator with an excellent user interface and user experience, and a major project, a Cat Application that demonstrates complex functionality and interaction.
- Utilized technologies like Android Studio, Flutter and Firebase for building and deploying mobile applications.

Projects

Finance Tracker Using Message Scraping

- Our finance tracker app automatically extracts and categorizes financial transactions from SMS messages, helping users monitor expenses and income.
- It offers features like transaction categorization, expense tracking, and financial summaries for easy financial management.

Book Selling Website

- Developed a book-selling website using the MERN stack
- Implemented features like product listings, search, shopping cart, and payment integration. Designed a responsive UI with React and integrated Stripe for payments.

Job Portal Website

- Developed a job portal website using the MERN stack to connect job seekers and employers.
- Implemented features including job listings, search functionality, user authentication, and application tracking. Designed a user-friendly interface with React for seamless browsing and ensured secure data handling by integrating Firebase for backend data storage.

Educational Background

B.E in INFT

Institution :- vidyavardhinis collage of engineering and technology (Third Year)

cgpa:-7.67(Average of three semesters)

HSC

College:-N.G.V collage placed in Virar East

Marks:- 67.47%

SSC

Institution:- Annasaheb Vartak Smarak Vidyamandir

Marks:-82.20%

Skills

Technical Skills

- Data structure
- C, C++
- Java
- Html,Css,Tailwind CSS.
- Javascript, React.js
- SQL
- Node.js

Tools/Sofware

- Android Studio
- Github
- VS code

Languages

- English
- Marathi
- Hindi

Certification/Short Courses

- Certificate:- https://drive.google.com/open?id=1wWGtlRGEtsZgGo9pRymDFHi5bBQb4_IJ&usp=drive_copy

HOBBIES

- Swimming
- Running
- problem solving
